Report

Academic Year 2017-2018

Name of the Event: Workshop on Sensory evaluation of Food quality

Date: 10th April 2018

Time: 2.00 pm to 3.30pm

Venue: Food Science Lab (MSc), Department of Home Science

Organized by: Department of Home Science, Vimala College (Autonomous)

No. of participants: 28 (faculty members, second and first year MSc students)

The MSc Nutrition and Dietetics students of the Department of Home Science assessed the quality of rice flour of different food industries by developing and standardising different products with rice flour and using sensory evaluation found out the best product among them. For the evaluation initially they prepared different products like puttu, noolapam, adaetc with different proportion of rice flour, oil and water. Then 10 trained panel members were selected from the students and with the help of scoring test best one was selected for the sensory evaluation. Double Horse rice product has got highest quality in terms of softness, colour and taste. The evaluation was performed on 10th April 2018. Faculty members and students of the first year and second year MSc Nutrition and Dietetics participated in the session.
