

Start-up– C-Glow

Activity Report (2022-2023)

As part of the Start-up activity (C-Glow) of the Department of Chemistry, Vimala College (Autonomous) Thrissur, home care products like Hand wash, Dish wash, Floor cleaner etc were made by S2 Chemistry students and were distributed among the students and staff of the college. The sale was inaugurated by Dr Sr Beena Jose, Principal, Vimala College Thrissur by receiving the products from Dr Theresa CJ, HoD Department of Chemistry. Activity was coordinated by Dr Srilakshmi P Bhaskar and Dr Jiji Abraham, Asst Professors Department of Chemistry. Students were very much interested to participate in this activity. They got basic knowledge about the preparation methods and also the various ingredients of these products.
